

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am a Satelit subscriber and am currently unable to get local channels except through satellite. However, one of the networks has refused my waiver request for distant network. I Find this very odd since cable subscribers get the local stations standard. It must be a two way street. The cable companies have had there hand in the wallets of the legislature too long. I implore you to allow this merger.

Sincerely,
